

Course code: CSE 4104
Course Name: Engineering Drawing Lab

Credit: .75
Semester: Winter

Lab 7

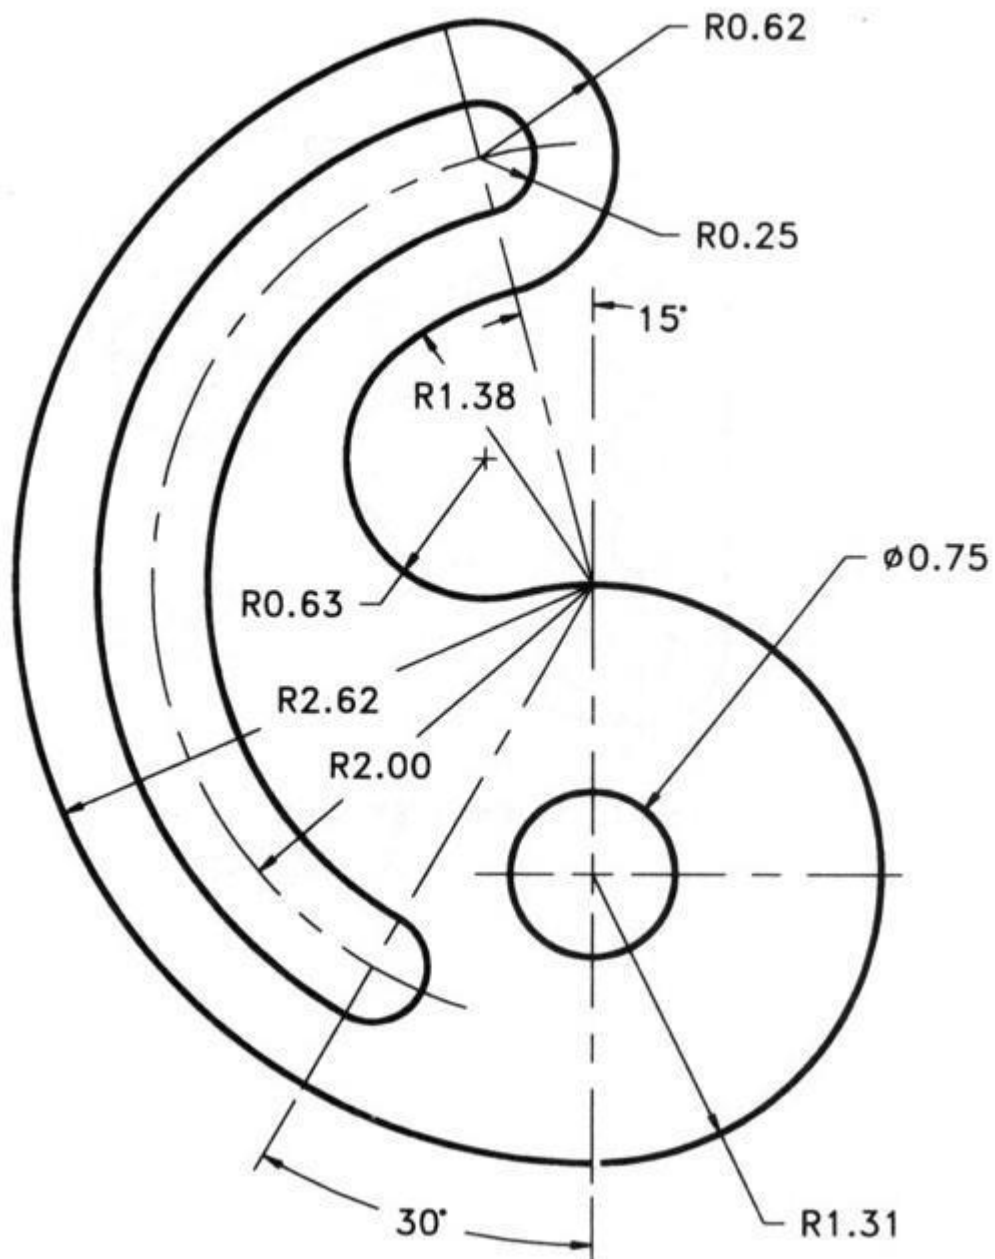

Name of Experiment: Practice with all previous functions.

Task 01:

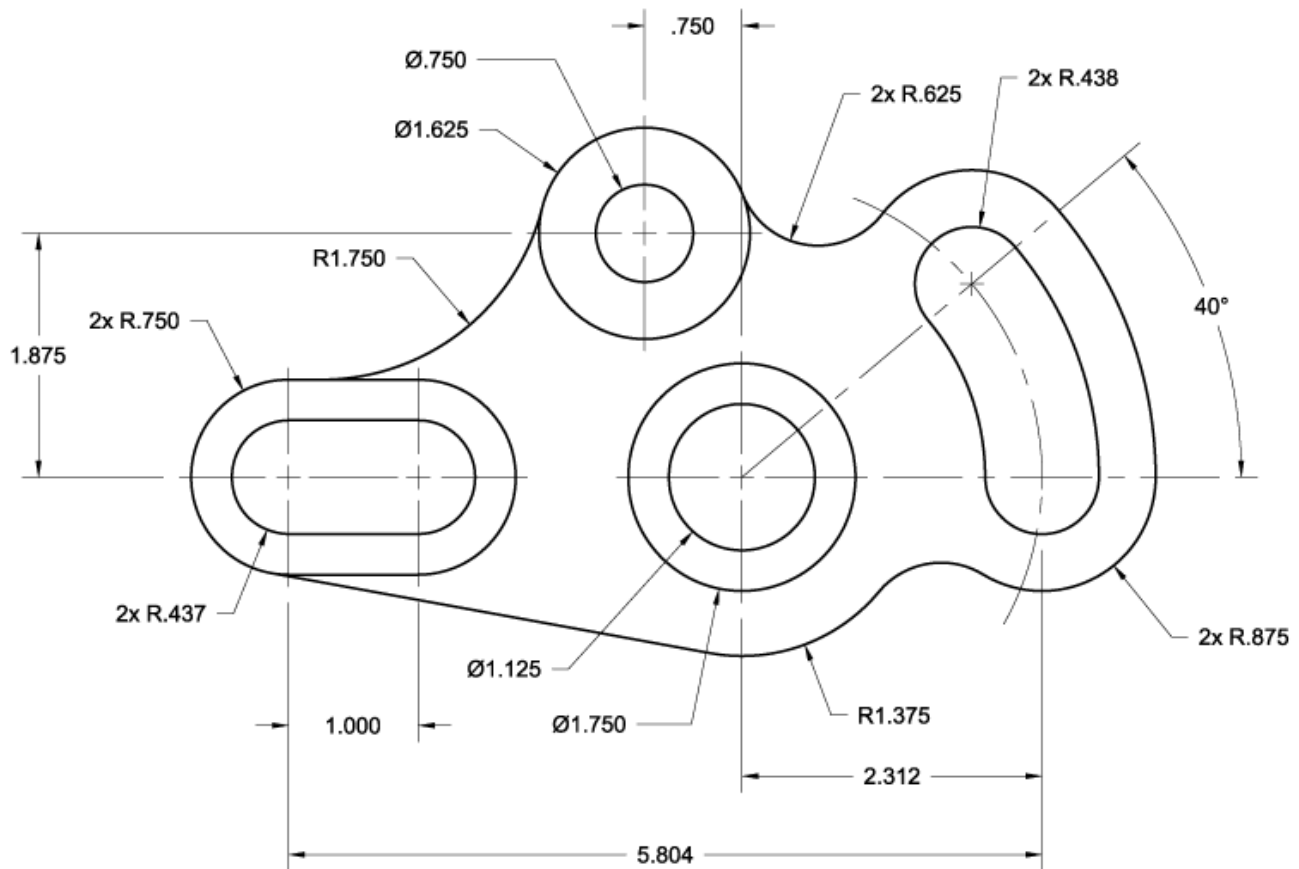

NB: If some dimensions are missing, like chamfer distance, then use dimension at your own so that it looks close to the original one.

Task 02:

Task 03:

NB: If you have problem with small dimension, then scale up all the dimension i.e. multiply all the dimensions by a factor of 10.
